FIRE STATION

1261
WATER TOWER

The diagram shows the layout of the airport. At the top, the 'FBO APRON' is labeled. Below it, the 'REGIONAL TERMINAL' is labeled. To the right of the Regional Terminal, there are several gates labeled 'GATE 1' through 'GATE 10'. The gates are arranged in a row, with 'GATE 1' on the left and 'GATE 10' on the right. The diagram also shows the 'FBO' (Fixed Base Operator) area and the 'APRON' area. Arrows indicate the flow of traffic between these areas.
