A horizontal line represents a DNA molecule of total length 9.0 nm. From the left end, a segment of 4.0 nm is marked with a double-headed arrow. This is followed by a loop that extends 4.2 nm to the right, also marked with a double-headed arrow. After the loop, there is a gap of 0.8 nm, marked with a single-headed arrow pointing to the right. The final segment of the molecule is a solid black bar.

CATEGORY	A	B	C	D
