Procedure NA for arrival on FNT
VORTAC airway radials 076 CW 097.

The diagram shows a horizontal runway labeled "18" at the top and "36" at the bottom. A vertical centerline runs through the middle. To the left of the runway, there are two sets of lights: a set of three white lights labeled "A5" and a set of three red lights labeled "R". To the right of the runway, there are two sets of lights: a set of three red lights labeled "R" and a set of three white lights labeled "A5". The distance from the left end of the runway to the first set of lights is "7201 X 150". The distance from the right end of the runway to the last set of lights is "7852 X 150". A star symbol is located below the runway, near the "36" label. A heading indicator shows "274°" pointing towards the right end of the runway.
